

# 2021 Charity Golf Tournament

*Sponsorship Opportunities*

On **Friday, June 25th, 2021**, Hospice Quinte will be hosting a **Charity Golf Tournament** beginning at **9:00 am** at **Black Bear Ridge Golf Course**. All funds raised from this pandemic-friendly, fun-filled day on the greens will directly support the delivery of Hospice Quinte's services, including the future Hospice Quinte Care Centre.

## ***Why Should You Sponsor? Our Community Needs Us, And We Need Your Help!***

Hospice Quinte changes the lives of the terminally ill, their families, caregivers and the bereaved, for the better, by offering support and companionship through no-cost visiting hospice services, counselling services, support groups, and soon our community-based hospice palliative care centre.

The Hospice Quinte Care Centre, opening Fall 2021, will be a world-class facility and an enormous asset to our community. It is projected that approximately 1,000 people could receive support through the Hospice Quinte Care Centre over the course of one year! This includes palliative residents receiving care at the Centre, along with support provided to members of their families.

The Hospice Quinte Care Centre will also help to significantly decrease the number of deaths that occur in hospital, and it will allow more people to die as they would prefer, in a home-like setting, surrounded by family, friends and professional caregivers.

**With your support of a sponsorship, we are confident we can reach our fundraising goal of \$15,000 – funds that are needed to directly support and enrich the existing hospice palliative care and bereavement services we provide.**

Hospice Quinte's Charity Golf Tournament also offers an excellent opportunity to align your business with many outstanding community partners and numerous influential guests from our caring corporate community.

On behalf of Hospice Quinte and the 2021 Charity Golf Tournament Committee, we thank you for your consideration of support this year.
