## Spiegel Family Proud To Back Hospice Quinte Care Centre With \$250K Gift

On April 27th, family of Sidney & Naomi Spiegel proudly presented Hospice Quinte with a gift of \$250K, in support of the future Hospice Quinte Care Centre. Sidney Spiegel, Founder and Chairman of the Board, of Crawford Steel, is well-known for boosting economic viability across the Quinte Region and sharing the wealth with local charitable organizations by supporting key community projects.

“Our family has deep roots here in the Quinte Region,” says Benn Spiegel, son of Sidney and Naomi. “We are very proud to support the Heart & Home Building Campaign and congratulate Hospice Quinte for its dedication to providing world-class palliative care for our community.”

“Thanks to the Spiegel Family’s incredible generosity, we have now achieved 80% of our \$9.5M capital campaign goal,” says Hospice Quinte Executive Director, Jennifer May-Anderson. “Reaching this exciting milestone reminds us how very fortunate we are to live in a community where caring for those in need is embraced with enthusiasm and pride, and we are eternally grateful for the kindness of our compassionate donors.”

The Spiegel Family’s quarter-million-dollar gift will be recognized by naming a large section of the Centre that is slated to house critical hospice support services and dedicated family spaces as the Sidney & Naomi Spiegel Community Wing.
